Work History

UW Madison Linguistics Department

Summary Digital Lexicography

Period June 2010 – August 2017

Description I wrote software for lexical databases and corpora of both Menominee and Potawatomi. I assisted in the production of both print dictionaries and electronic resources for use in language teaching and revitalization.

Forrest County Potawatomi Community

Summary Digital Lexicography

Period 2014 – June 2017

Description I worked under funding from the tribal government to create digital resources and tools for language documentation and education.

Languages

Spanish Fluent reading, writing and speaking.

Ecuadorian Kichwa Advanced reading, writing and speaking.

Bolivian Quechua Advanced reading, writing and speaking.

Wao Tededo Advanced reading, writing and speaking.
